Marshalls celebrates Register member success

Marshalls has once again celebrated the quality and workmanship of its accredited landscape contractors at its prestigious annual award ceremony.

The Marshalls Register Awards held at St George's Park, Burton-upon-Trent on Friday 23rd February, celebrated the best garden and driveway projects that were designed and installed by members of Marshalls' National Register Scheme in 2017.

Matt Brockhurst of Brockstone Landscape Construction, based in Merseyside, was crowned 'Marshalls Contractor of the Year' after scooping the top prize for the 'Best Patio over 40m²' category, and was presented with a brand new Toyota Hilux pickup truck and a Cromwell natural stone trophy.

Matt also took home the Highly Commended Award for the 'Best Driveway Under 70² category.

All the award finalists were able to cast their vote for the 10 category winners and their overall contractor of the year through an anonymous online poll.

The Marshalls Register Awards this year attracted over 700 project submissions from 230 accredited landscape contractors and driveway installers from Marshalls' nationwide network of members.

Matt said: "To be crowned the 10th Marshalls Contractor of the year is just a dream come true. I've always admired the quality of workmanship that you see from the Marshalls Register. So to be awarded in such a big way, by being voted for by these fellow Register Members, is just so incredibly humbling."

David Jessop, Operations Manager of the Marshalls Register said: "Matt's winning project was truly outstanding, and the finish of the project was absolutely immaculate. He is most certainly a worthy winner.

"Congratulations must also be given to all of this year's winners and runners up. The Marshalls Register Awards highlight the incredible workmanship that Marshalls' accredited contractors deliver to customers, and they really are a credit to the industry.

"We're thrilled to be celebrating the 10th anniversary of the awards, and can't wait to see what the next 10 years have in store."
