## Built with quality

We've built up a reputation for quality that's respected by homeowners all over the country. As a Marshalls Accredited installer, you can use this to your advantage by using our logo as a mark of excellence that sets you apart from the crowd and promises reliable long-lasting workmanship.

### **We assess members every 12 months**

From setting out, excavation and drainage to cuts and joints, laying course and aesthetics, we always assess all our members to maintain quality levels.

### **Our exclusive Hard Landscape Guarantee**

Marshalls Accredited members can offer customers a free official certificate that protects homeowners against product defects for ten years.

**Build trust with homeowners for less than £1 a day.**

# Built to support

We'll help you generate leads and grow your business with access to selling tools, marketing materials and expert advice. We'll be by your side to offer support with everything from pricing and product selection to technical training and upselling.

## Get quality leads

All our members are actively promoted on our website whenever anyone searches for an installer in their area (and we get over 65,000 searches like this every year).

## Selling tools

We give you with the right tools to help customers along their journey, including our printed showcase, quality samples and our Outdoor Reality app, that allows customers to visualise products in their own space.

## Earn reward points

Whenever you purchase any Marshalls products, you'll earn 4% back in reward points. Your Marshalls Rewards account lets you effortlessly collect, track, and spend all the reward points you earn.

Plus, you can manage essential admin tasks like submitting Hard Landscape Guarantee requests - all in one convenient place.

**With extra leads and selling potential, this scheme practically pays for itself.**

## Built by community

We've worked together with installers to create a scheme that gives members more opportunities to raise issues, share ideas and make their voice heard. This is your chance to connect and collaborate with some of the best installers in the business.

### **Marshalls Members Panel**

Made up of eight Marshalls Accredited members who nominated themselves, this panel has been created to represent our members and act on their behalf. This helps us make sure that all our decisions are made with the best interests of our members in mind.

### **Exclusive Facebook and WhatsApp groups**

Whether it's keeping in touch with your local assessor or sharing opinions and ideas with other leading installers, our members-only WhatsApp and Facebook groups are ideal for anyone looking to connect, chat and collaborate in a closed forum.

**Make priceless connections for only £25 a month.**
